With inspiration from the army's green military uniforms, the grey tones of the urban lifestyle and the green and tan colors of the outdoor world, you get a ton of options with the WX Canyon t-shirts.

The t-shirt is made of 60% cotton and 40% polyester, which ensures you a nice, soft quality with maximized comfort. It is designed with a large, vertical Wiley X contrast logo on the front left side of the t-shirt and a WX flag label at the hem of the t-shirt. On the right sleeve the model features a print of a US assault flag, meaning that the stars of the flag points ahead, illustrating the movement of the flag, just as it is the case on American uniforms.
